These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as the final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred, and in the subsequent assessment of double antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return/destruction or conversion to judicial protective order of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Failure to comply is a violation of the APO.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

##### Background

On August 1, 2001, the Department published an opportunity to request an administrative review of the order. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 66 FR 39729 (August 1, 2001). On August 31, 2001, North Star Steel Ohio, a division of North Star Steel Company, requested that the Department conduct an administrative review of sales of the subject merchandise made by Siderca S.A.I.C. Also on August 31, 2001, United States Steel LLC, requested that the Department conduct an administrative review of sales of the subject merchandise made by Acindar Industria de Aceros S.A. (United States Steel LLC changed its name to United States Steel Corporation effective January 1, 2002. *See* petitioner's submission of January 4, 2002.)

##### Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the

Tariff Act), the Department may extend the deadline for completion of the final results of an administrative review if it determines that it is not practicable to complete the final results within the statutory time limit of 120 days from the date on which the preliminary results were published. The Department has determined that it is not practicable to complete the final results of this review within the statutory time limit. During the course of this review, petitioners have submitted evidence that one of the parties who claims to be a no-shipper may have had shipments. Due to the need to investigate this issue thoroughly, it is not practicable to complete the final results within the time limit mandated by section 751(a)(3)(A) of the Tariff Act and section 19 CFR 351.213(h)(1) of the Department's regulations.

Therefore, the Department is extending the time limit for the final results by an additional 60 days (180 days from the date of publication of the preliminary results pursuant to section 19 CFR 351.213(h)(2)), until no later than March 10, 2003 (the calculated due date is March 8, 2003; however, since March 8, falls on a weekend, the due date will fall on the next business day, March 10).

This notice is published in accordance with section 751(1)(3)(A) of the Tariff Act and section 19 CFR 351.213(h)(2) of the Department's regulations.

Dated: December 4, 2002.
